Hobbies

ABOUT ME

I am an aspiring Full Stack Web Developer, especially a "MERN Stack Developer". As a seasoned Mechanical Engineer embarking on a transformative journey, I am fueled by a passion for innovation and a desire to blend the precision of engineering with the dynamic world of full-stack development. Currently, I'm learning the exciting realm of web development, my focus is on becoming a proficient MERN stack developer.

PROFESSIONAL SKILLS

ReactJS

SQL

PROJECTS

Flashcard Generator

The Flashcard Generator App is a dynamic and user friendly web application designed to help users create, manage, and study using digital flashcards. Built with React.js, this application offers an interactive and intuitive interface for users to generate, customize, and review flashcards, making the learning process engaging and efficient.

Tech Stack:

React, React-DOM, Formik, Redux
React-Router, TailwindCSS
